

Our Primary Mission

Winston-Salem Rescue Mission is a Christian, non-denominational service ministry, meeting the physical, emotional, and spiritual needs of hurting people in the Triad area, so that we might proclaim the gospel of Jesus Christ and bring glory to God.

Giving is an act of worship to God and an expression of our faith toward Him. Prayerfully consider and plan to **Leave a Lasting Legacy** that will change lives for years to come.

One Man's Story

Joel's story is just one example of how the Winston-Salem Rescue Mission impacts lives on a daily basis:

"What happened?" I asked myself.

In August of 2011, while standing in my Dad's driveway, I wondered how I had fallen back into the same lifestyle God saved me out of in March 2007. What happened? I asked myself. As I stood pondering that question, I told my Dad I just needed to get away. He took me to see an old friend who I remembered was a Chaplain at a rescue mission somewhere in North Carolina at one time. As this man counseled me in what direction to go, I decided to come to the Winston-Salem Rescue Mission hoping that it would fix my problem.

The Winston-Salem Rescue Mission became a place of refuge for me as I rekindled a relationship with God. God used the Rescue Mission and its staff to help me build a new life. I have since graduated from the Transformers program and have taken classes at Forsyth Technical Community College. My relationship with God is now my focal point. I thank God for what He has done, and I seek now for all I do to honor Jesus Christ in all His glory.
