“
God has worked
in my life...
”

Losing his mother changed everything for Jacob. “Instead of grieving properly, I turned to drugs to cover my pain, but it only made it worse,” he says. He developed an addiction that eventually cost him his livelihood... his home... and his self esteem.

“I was living in my car – or bouncing from hotel room to hotel room – and doing the unthinkable to get by and support my habit,” he explains. “I was digging myself into a hole I thought I would never get out of.”

Overcome by depression and despair, Jacob attempted to end his life. When he was released from the hospital, he moved in with family members for support. But it wasn’t long before he rekindled his self-destructive ways. Finally, knowing there was nothing more they could do to help him, his loved ones encouraged him to “give God a try.”

“One night I knelt down and prayed to God for change,” Jacob shares. His plea was answered when he entered a detox program and was referred to Winston-Salem Rescue Mission.

Today, in our Christ-centered recovery program,

Jacob is overcoming his addiction. With the guidance of compassionate counselors and volunteers, he earned his GED and is enrolled in a Culinary Arts program, building a foundation for his future.

While Jacob has worked hard in our care, he credits the Lord for his success. “God has given me the strength to fight through the bad days, the courage to take on new challenges, and the power to overcome the odds,” he says. “God has worked in my life, and I’ve seen Him work in others around me.”

“
My life was broken, and I was trying
to fill a void with substance abuse
and toxic relationships.
”

You may never meet Jacob, but he’s eternally grateful for your support – today, his heart is filled with new hope for the future. “The Rescue Mission has been life saving and a true blessing.”

A Message from LOU CARRICO

YOUR GIFTS ARE TRANSFORMING LIVES THIS EASTER SEASON

My friends, Easter will be here soon – and with it, the joy of being able to celebrate and shout, "He is risen indeed!"

I can't think of a truth that's more important to those staying at the Rescue Mission right now... men who are facing devastating struggles with homelessness, poverty and addiction.

That Jesus overcame death and rose again to offer a hurting world hope resonates with our guests.

In Jesus, they see that they too can overcome! As they begin to trust Him, their past guilt and shame transforms into hope for a brighter future. They walk in freedom, knowing that they're forgiven.

Forgiveness is a doorway to new life. It opens up our guests to

accepting love – not just God's, but love from our staff, their families and even themselves. From there, they blossom into the people they were always meant to be.

This Easter, I pray you'll experience the glorious hope of the cross in your life... and remember that **YOU** are making it possible for hurting people to find forgiveness and freedom through the cross too. I'm so grateful that each time you reach out to help, more hearts are touched by the love of a risen Savior.
