RESIDENTIAL RECOVERY PROGRAMS FOR MEN

For men in the community struggling with **addiction**, the Rescue Mission offers two residential programs.

LIFE BUILDERS is a 180-day faith-based program that focuses on the physical, social, mental, emotional and spiritual development of the men who enter it. This ministry helps participants live sober, productive lives in devotion to Christ.

TRANSFORMERS is a 1-year residential recovery program. Participants are guided through a process of total life transformation, including recovery and life skills classes, job training, anger management, and Biblical counseling focusing on God's love and developing an honest relationship with Jesus Christ.

Through daily devotions, chapel services, and one-on-one counseling, residents are presented with the truth of the Gospel and taught how to live successful Christian lives.
